## Conditions of Entry

The 2009 Equestrian Australia National Young Rider Dressage Championships will be conducted in accordance with the current edition of EA Dressage Competition Rules effective 1/1/08 including amendments. Competitors are to be aware of the Rules. The onus is on riders to know the rules under which they compete.

1. **Membership and Horse Registration: Riders and Horses must be current members of EA**
2. **Age:** This event is open to riders 10 years and up to the end of the year they turn 21 on horses or ponies of any height (except in restricted classes).
3. **Stallions:** Stallions are welcome to compete at this event however they must be kept under control by a competent person at all times when either ridden or led. Stallions must be led with a bit or chain in addition to their headcollar. Stallions may not be tied to the outside of a truck or trailer but must be stabled or housed in a truck/trailer. Any stallion not considered to be in control by the Organising Committee (OC) will be withdrawn from the event.
4. All riders and handlers are reminded that any horse can be dangerous so please give all horses and ponies enough room to pass safely whether you are leading or riding. Please be considerate of all riders and handlers and follow the rules of the arena whilst working horses; that is if you are walking stay towards the middle track in the arena, if you need to stop or check your gear move to the middle of the arena or leave the arena; pass riders coming in the opposite direction left shoulder to left shoulder. If you pass a rider in the same direction allow at least 5 m width. Please look around you at all times and try to be aware of others riding or walking past. Many people unintentionally frighten or distract horses by going too close or by moving too quickly; it is everyone's role to ensure the safety of others. Stallion owners will be provided with stickers for their saddlecloth to help everyone to identify them.
5. **Eligibility:** The qualifying period is the 12 months preceding the closing date of entries. i.e. 10/6/08 to 9/6/09. Please note performance must have been gained in official competitions, no pony club or interschool performances will be accepted. All entries for tests must have qualified by having gained at least the following: **Preliminary/Novice/Elementary** : one performance of at least **60%**; **Medium/Advanced/FEI** one performance of at least **58% or higher is compulsory** at the level they are entering during the 12 months preceding the closing date. Only one HC score is allowed to count at each level entered.
6. All combinations must submit their best three performances in an Official competition at the appropriate level, between 10/6/08 to 9/6/09.. See above regarding the minimum performance requirement.
7. Horses or ponies may compete in **two (2) consecutive** levels. For example preliminary/novice; medium/advanced. They may compete in **three (3) tests only** per day, which may include a freestyle test.
8. Horses or Ponies which have won a Champion at Preliminary or Novice Level it is recommended that they compete in the next level. i.e. If you have won Champion Preliminary at the NSW Young Riders or Pony Dressage Championships you can not compete at Preliminary level and must compete at Novice or above.
9. **Ranking** (balloting) will be based on the average of the highest percentage of three tests at the particular level, in the 12 months preceding the close of entries. Riders who submit 3 performances (only one of which may be HC) will be considered ahead of those who submit one or two performances.
10. The number of horses per rider per competitions may be limited if oversubscribed.
11. **Reserve Competitions** – if numbers warrant reserve competitions may be run at the discretion of the OC. Competitions will be split into age groups if numbers warrant.
12. **NSW State Young Rider Champion** – please note that NSW State Champion awards will be awarded to the highest placed NSW Rider at each level.
13. **Draw:** Competitions are limited to 30 competitors. The OC reserves the right to rank horses if necessary. A revised draw may be necessary the day before the competition to allow for withdrawals. The starting order will not alter and a move up system will apply. **The onus is on the competitor to confirm/check their start times the day before the competition.**
14. **Performance Cards:** All horses competing in Official competitions must have an up-to-date Performance Card – a photocopy **must accompany** entry forms for verification of performance. If the results have not been entered on the Performance Card, then evidence must be produced to substantiate the performance and be provided with the entry form. The onus is on the competitor to provide accurate performance information. Note: Cards must be correctly filled with placings, points and percentages.
15. **HC** entries will not be accepted.
16. **FEI Tests** can be downloaded at [http://www.fei.org/Disciplines/Dressage/Organisers/Pages/Dressage\\_Tests.aspx](http://www.fei.org/Disciplines/Dressage/Organisers/Pages/Dressage_Tests.aspx)
  - The FEI tests don't always align directly with EA levels however riders should be aware that they can only ride over 2 consecutive competition levels at any competition. For the purpose of competing at the Young Rider and Pony Championships the FEI tests are to be considered as:
    - i. FEI Young Rider - Prix St Georges Level
    - ii. FEI Pony – Elementary Level
    - iii. FEI Junior – Medium Level
  - As these tests are usually conducted under FEI rules whips will not be allowed in the FEI pony, junior or young rider tests.
  - All other tests are conducted under EA rules for championships. Please check the EA rule book for gear requirements. Rule books are available to download from the EA website. All riders need a copy of the rule book and to be familiar with the content if they compete.
17. **Saddlery and Equipment** As per current EA Dressage Rules 2008 including amendments. Note: EA levels up to and including Advanced whips must not exceed 1.2m in its entirety. Approved hard hats must be worn at all times when training, warming up or competing at this event. Current safety approved headgear, AS/NZS 3838, EN 1384 (European) ASTN F1163 (US). 19. **Entry Forms** must be correctly and fully completed. Any mistakes or incomplete information will result in the entry form not being accepted and returned for correction. **Late entries, faxed entries and phone entries will not be accepted.** Be sure to enter on your entry form your three best performances at each level entered.
20. **Scratchings and Refunds:** Entry fees will not be refunded after the closing date of entries unless a medical or veterinary certificate is produced within 24 hours of the completion of the event. In such cases, 50% of the entry fees will be retained by the O.C. Entry fees will be refunded in full for scratchings before the closing date and for riders on the reserve list who are not offered a start in a competition. The administration fee will **not be refunded.**
21. **Medication Control:** if approached by the Official Veterinary Surgeon or Official from the OC, the competitor must allow samples to be taken from their horse/pony for drug testing. Swabbing will take place.

### Special classes: Teams Events Requirements

The teams events are not separate tests. Comp C & D are for NSW riders only. Comp A, B, E & F teams can be made up of riders from more than one state where there are not enough entries from one state. You must compete in the nominated classes over the weekend. Your results in these classes are used to decide the winning team. A Chef d' Equipe (Team Manager) who will attend the championships is to be nominated by the school/TAFE, Regional Delegate (regional NSW teams) or State Selector (for state teams). A team entry must be lodged by 10<sup>th</sup> June 2009 however you must nominate specific team members no later than 8.00am on the 23<sup>rd</sup> July 2009 with the event secretary, Flora Robson. Team members are expected to be present at the Friday night dinner where all teams are introduced. A rider may ride in more than one team but can only ride one horse/pony in any one team. A horse/pony can only be used in one team. The winner for each team event will be the highest total score; points will be awarded 30 points for 1<sup>st</sup> place, 29 for 2<sup>nd</sup> & so on in each test. In the event of equality of points, the winning team shall be the team whose lowest classified competitor has the best result.

If you wish to be considered for any of the teams, contact your school/college, regional delegate or state selector well before close of entries.

**Team Entries Close 10<sup>th</sup> June 2009**

**Team members must be nominated no later than 8.00am on the 23<sup>rd</sup> July 2009**

**Team Entry: \$50 per team**

**Equestrian Australia 2009 Young Rider Australian Dressage Championships**  
**Trans Tasman Friendly Derby**

A team of 2 riders, from New Zealand and Australia

Riders compete at Elementary Level.

A draw from a hat will determine which nation rides first with chef d'équipe deciding which rider from their team will ride first.

The derby will be a 2 round event where riders will have 30 minutes to warm up on horses drawn from a hat. After a break of at least 30 minutes for the horses, in the second round riders will swap horses with the opposing team (first drawn rider for each team will swap places, as will second drawn team riders). Horses will stay in the same order as the first round.

(Australian riders will be nominated by National Selectors). Organising committee will liaise with the National Youth Coordinator to ensure riders are selected at least a week prior to the competition.

An invitation will be sent from the National EA office inviting New Zealand to send a team of 2 riders plus a chef d'équipe (the invitation needs to be sent at least 2 months prior to the close of entries).

Event organisers are to provide accommodation (may be cabins at SIEC, hotel or billet accommodation) and meals for the New Zealand team during the event. Transport of the team to and from the airport as well as during the competition may also be required. Every effort should be made to return the hospitality provided to Australian team members at previous New Zealand tours. It may be useful to nominate a rider who has previously competed in New Zealand to act as host to the visiting team and ideally arrange with assistance from the national youth coordinator tourist or social opportunities (time permitting) during their visit.

**Catch rides for New Zealand team riders**

Where New Zealand does not send horses/ponies to the Australian Young Rider Championships the organizing committee should make every effort to provide catch rides for the New Zealand riders so that they can compete in other events during the championships (horses or ponies can be at any suitable level and should be eligible wherever possible to compete for prizes during the championships – ie not compete HC during the championships).

Arrangements should be made wherever possible to have catch ride horses/ponies available 2 days prior to the competition so that the riders have a chance to familiarize themselves with their mounts. Free entry in the competition for the New Zealand riders should also be provided.

**Performance Details - qualification**

Note: Entries will not be accepted and will be returned to you if this section is not completed. (Freestyle performances not accepted for qualification). Refer conditions of entry.
