Conditions of Entry

The **2010** NSW Pony Dressage Championships will be conducted in accordance with the current edition of EA Dressage Rules and Official Procedures for Dressage Competitions.

Competitors are to be aware of the Rules. The onus is on riders to know the rules under which they compete.

1. **Membership and Pony Registration:** Ponies must be registered with, and owners and riders must be financial members of the EA.
2. **Age:** 2010 NSW State Pony Dressage Championships is open to riders 10 years of age and over.
3. **Eligibility:** The qualifying period is the 12 months proceeding the closing date of entries ie 16/9/2009 to 16/9/2010. Performances gained in 2009 NSW Pony Dressage Championships will be accepted. Preference will be given to competitors who submit 3 Official tests with one performance of 58% or higher for Prel/Nov/Elem level within the qualifying period (from 16 September 2009 to 16 September 2010) however other performances may be submitted and will be considered if competitions are undersubscribed. For Medium and above 3 official results to be submitted, one performance of 55% or higher is required. Ponies will then be ranked accordingly. Each level will have its entries ranked with the top 30 ponies being accepted into the Championship competition. Subject to entry numbers, additional entries will be accepted into a Reserve Competition with a maximum of 30 riders at each level.
4. **Stallions:** Stallions are welcome to compete at this event however they must be kept under control by a competent person at all times when either ridden or led. Stallions must be led with a bit or chain in addition to their headcollar. Stallions may not be tied to the outside of a truck or trailer but must be stabled or housed in a truck/trailer. Any stallion not considered to be in control by the organising committee will be withdrawn from the event. All riders and handlers are reminded that any horse can be dangerous so please give all horses and ponies enough room to pass safely whether you are leading or riding. Please be considerate of all riders and handlers and follow the rules of the arena whilst working horses; that is if you are walking stay towards the middle track in the arena, if you need to stop or check your gear move to the middle of the arena or leave the arena; pass riders coming in the opposite direction left shoulder to left shoulder. If you pass a rider in the same direction allow at least 5 m width. Please look around you at all times and try to be aware of others riding or walking past. Many people unintentionally frighten or distract horses by going too close or by moving too quickly; it is everyone's role to ensure the safety of others. Please refer to EA guidelines for stallions at competitions.
5. All Competitions are open to ponies that, at close of entries have gained **less** than the following grading points:
Preliminary: ponies with less than 60 points. Novice: ponies with less than 60 points. Elementary: ponies with less than 120 points. Medium: ponies with less than 180 points. Advanced: ponies with less than 240 points. Prix St Georges & above: ponies that have on two occasions at different events achieved 60% or above in Official Advanced competitions (unless already competing at Prix St Georges prior to 1/1/08). FEI Pony: ponies graded at least Elementary
6. Ponies may compete in **two (2) consecutive** levels. For example preliminary/novice; medium/advanced. They may compete in **three (3) tests** per day, which includes a freestyle test.
7. All tests are for ponies not exceeding **149 cms with shoes and 148 cms without shoes**.
8. **Ranking** will be based on the average of the highest percentage of three tests at the particular level, in the **12** months prior to the close of entries. Riders who submit 3 performances (only one of which may be non-competitive) will be considered ahead of those who submit one or two performances.
9. **Draw:** Competitions are limited to 30 entries. The organising committee reserves the right to rank ponies if necessary. A revised draw may be necessary the day before the competition to allow for withdrawals. The starting order will not alter and a move up system will apply. **The onus is on the competitor to confirm/check their start times the day before the competition.**
10. **Performance Cards:** All ponies competing in Official competitions must have an up-to-date Performance Card – a photocopy **must accompany** entry forms for verification of performance. If the results have not been entered on the Performance Card, then evidence must be produced to substantiate the performance and be provided with the entry form. The onus is on the competitor to provide accurate performance information. Note: Cards must be correctly filled with placings, points and percentages.
11. **Non Competitive** (HC) entries will not be accepted.
12. **FEI Competitions** – please note FEI Competitions will only be run if there is a minimum of 3 competitors with performance.
13. FEI Tests can be downloaded at http://www.fei.org/Disciplines/Dressage/Organisers/Pages/Dressage_Tests.aspx
 - The FEI tests don't always align directly with EA levels however riders should be aware that they can only ride over 2 consecutive competition levels at any competition. For the purpose of competing at the Pony Dressage Championships the FEI tests are to be considered as:
 - i. FEI Pony – Elementary Level
 - Whips are not permitted in FEI competitions at State Championships.
 - All other tests are conducted under EA rules for championships. Please check the EA rule book for gear requirements. Rule books are available to download from the EA website. All riders need a copy of the rule book and to be familiar with the content if they compete.

In consideration for being permitted to participate in any way in horse sport activities, I, the undersigned, understand, acknowledge and accept that:

Horse sports are a dangerous recreational activity and horses can act in a sudden and unpredictable (changeable) way, especially if frightened or hurt.

There is a significant risk that serious **INJURY** or **DEATH** may result from horse sport activities.

I knowingly and freely assume all such risks, both known and unknown, and **I voluntarily PARTICIPATE** at my **OWN RISK** and assume sole responsibility for any injury, death or property damage I may suffer that arises from my participation in horse sport activities.

I understand and acknowledge the dangers associated with the consumption of alcohol or any mind altering drugs before and during the activities and I take full responsibility for any injury, loss or damage associated with their consumption. I agree not to drink alcohol or take drugs prohibited by law before or during any horse sports activities.

I agree to follow the directions of any event organiser or official and that any misconduct or refusal by me to follow any direction of any organiser or official can result in the **CANCELLATION** of my participation in the activities and my immediate removal from my horse **NO MATTER** where that may occur. I understand that any such non-compliance may result in injury, death and/or permanent disability as a result of my failure to comply.

I agree to wear a helmet at all times whilst riding where this is required under the relevant EA and FEI rules and regulations and agree that I am solely responsible for ensuring that whilst riding I wear a suitable helmet at all times where required under the relevant EA and FEI rules and regulations and take sole responsibility for my actions.

I have had sufficient opportunity to read this assumption of risk agreement, fully understand its terms and sign it freely and voluntarily.
